Dear Vickie and Jimmy,

The sun is shining this morning and the temperature is supposed to get up into the 50's.

Aunt Stella and I went to Eureka yesterday and then rode up to the cabin. The rice is high. We saw Gary at the store and his girl friend Linda is working there. They have moved into their apt. This will make a situation with Aunt Ruth as she and Uncle Jim love Patti so much so I hope Patti and Linda will be able to get along. Patti also works at the store but has different hours.

I have sent a couple of little items to the FPO address so I hope they will reach you.

Your Thanksgiving dinner will be delicious & know and Jimmy, I hope the trip to Germany was nice.

More later.

Love,

Mom
